QUEEN LIL'S FUN.

Quoth the cannibal Queen,
"There is much in a name,
Or at least there will be
Ere we finish the game.

These 'provisional' rulers
I welcome with glee—
They shall presently serve as
Provisions for me."

—Washington Star.

SENATORIAL dignity and courtesy will no have a set-to with the Wilson bill.

THE Corpus Christi Sun made its weekly appearance two days late, on our table this week. We miss the Sun when it fails to come on time.

THE fate of the Wilson bill in the house was probably decided yesterday. It has yet to run the gauntlet of the senate, however, and its own father may not recognize it by the time it returns to the house.

MRS. LEASE has sprung another sensation in Kansas, by publishing a letter attacking the populist governor. It is a frigid day in mid-summer when Mary Ellen can't startle the natives of the grasshopper state.

COL. ROPES has made Corpus Christi another proposition for the construction of the pass. He now agrees that no part of the required subsidy shall be paid until the pass is entirely completed, and Corpus Christi bay connected with the gulf by a ten foot channel, with all necessary jetties. This is certainly a fair proposition, and should be accepted by Corpus Christi, as there is nothing to lose should the perfect fail and all to gain should it be carried to a successful termination.

HOLT ON HOGG'S SPEECH.

Houston, Tex., Jan. 28.—There has not been a great deal of enthusiastic talk today about Governor Hogg's speech, delivered yesterday at Dallas. Speaking of it today Hon. O. T. Holt, a member of the national democratic executive committee expressed some disappointment at it. "I expected," he said, "to see something in it that would bring the two factions of the democratic party in Texas together. I had watched for the speech with a good deal of interest on that account. His plan is a right good one to bring one faction together, but there is nothing that will bring two factions together, and this latter is what we want. It seems to be the knotty problem. The other almost anybody can do or rather can suggest a plan upon which it can be done. Governor Ireland, when he addressed himself to the democrats of Texas, proposed a plan that had some tangibility about it, but I see nothing of the kind in Governor Hogg's speech. He can get the Waller Baker element together all right. We naturally expected a plan from Governor Hogg upon which something could be accomplished. The truth is, most of the democrats want to get together, and the man who can propose a plan upon which they can consistently do it is the man they are looking for."

DETAILED TO MEXICO.

First Military Attache to the United States Legation There.

Washington, D. C., Jan. 28.—Captain George P. Scriven of the Signal Corps has been assigned to duty as military attache at the United States Legation, City of Mexico.

Captain Scriven is now in Washington receiving his instructions from the Secretaries of State and War.

This is the first time that the United States has had a military representative in Mexico and his detail is intended as a special compliment to that Government.

The Mexican Legation at Washington has always included a military attache. The office is vacant at present, however. Captain Diaz, son of the President of Mexico, the last occupant, having lately returned to Mexico. The action of this Government in placing Mexico in the same category as the leading countries of Europe, is an official recognition of the high military standing of our Southern neighbor.

REAL MERIT.

Is the characteristic of Hood's Sarsaparilla, and it is manifested every day in the remarkable cures this medicine accomplishes. Druggists say: When we sell a bottle of Hood's Sarsaparilla to a new customer we are sure to see him back in a few weeks after more, proving that the good results from a trial bottle warrant continuing its use. This positive merit Hood's Sarsaparilla possesses by virtue of the Peculiar Combination. Proportion and Process used in its preparation, and by which all the remedial value of the ingredients used is retained. Hood's Sarsaparilla is thus Peculiar to itself and absolutely unequalled in its power as a blood purifier, and as a tonic for building up the weak and weary, and giving nerve strength.

Deaf for a Year

Caused by
Catarrh in the Head

Catarrh is a CONSTITUTIONAL disease, and requires a CONSTITUTIONAL REMEDY like Hood's Sarsaparilla to cure it. Read:

"Three years ago, as a result of catarrh, I entirely lost my hearing and was deaf for more than a year. I tried various things to cure it, and had several physicians attempt it, but no improvement was apparent. I could distinguish no sound. I was intending putting myself under the care of a specialist when some one suggested that possibly Hood's Sarsaparilla would do me some good. I began taking it without the expectation of any lasting help. To my surprise and great joy I found when I had taken three bottles that my hearing was returning. I kept on till I had taken three more. It is now over a year and I can hear perfectly well. I am troubled but very little with the catarrh. I consider this a remarkable case, and cordially recommend Hood's Sarsaparilla."
